**PRESTWOOD VILLAGE ASSOCIATION (PVA)**

(under formation—2013)

**Read on and find out more .....**

## Why form PVA?

- Prestwood is the only village in Chiltern District without an active residents' association. This lack of a strong communal voice risks the imposition of inappropriate housing and infrastructure developments.
- With government decentralisation and localism upon us, our community needs to unite to influence local decision-making. Helping to define the future of Prestwood will ensure it remains a great place in which to live.
- Many residents don't have spare time to research on local issues and future plans. Working together we will be well informed and ready to face the future within a resilient community.
